

## **eMedical Client Consent (CIC)**

I \_\_\_\_\_ declare that all information provided by me during my immigration medical examination in support of my application to Citizenship and Immigration Canada is true, correct and complete. I have reviewed the medical history information provided by me and entered into the eMedical system and declare it is true, correct and complete.

I understand that the information collected and stored related to my immigration medical examination, including a digital facial photograph that will be taken, will be electronically processed in the eMedical System. The eMedical System is an electronic system, which is hosted, operated and maintained by the Australian Department of Immigration and Citizenship (DIAC). The information collected related to my immigration medical examination will be temporarily stored in the eMedical System and electronically transferred to Citizenship and Immigration Canada (CIC) in Canada. DIAC and CIC may share the information collected or stored related to my immigration medical examination for purposes related to the operation and maintenance of the eMedical System. DIAC will preserve and keep confidential any information collected or stored within eMedical in relation to my immigration medical examination and will not use or disclose the information for any other purpose unless required by law.

I give my consent and authorization for the panel physician, radiologist, and health workers or hospital to collect and enter the results of my immigration medical examination in to the eMedical system and for those results to be electronically transferred to CIC by DIAC

I understand that CIC:

- may release the information collected related to my immigration medical examination to, and
- may collect medical information about me from a federal, provincial or territorial public health or social service agency in Canada, or a physician or health worker in Canada for purposes related to the administration of Canada's Immigration and Refugee Protection Act or to protect the health and safety of Canadians.

I also understand that:

- CIC will use and disclose my information in manner that is consistent with Canadian privacy law applicable to CIC;
  - if the information collected related to my immigration medical examination is not stored within the eMedical System, then the processing of my application will be delayed;
  - DIAC and CIC have a privacy policy that contains information about how I can access the information collected and stored in eMedical, seek the correction of such information, complain about a breach of privacy laws or codes of practice that apply to DIAC or CIC, and how DIAC and CIC deal with such complaints.
  - Canadian applicants seeking access to information collected and stored in eMedical should contact CIC who will liaise with DIAC as required.
- DIAC's privacy policy is available at <http://www.immi.gov.au/about/foi/privacy.htm>
  - CIC's privacy policy is available at <http://www.cic.gc.ca/english/department/atip/index.asp>

This information is provided in support of my application to CIC and is collected under the authority of the Immigration and Refugee Protection Act. It will be used to render a decision regarding this application and may be used for future applications. The information is retained to maintain a record of my application for the purpose of the administration of the Act. The information will be retained in the Personal Information Banks of CIC being PPU 051, CIC PPU054, or CIC PPU055, depending upon the type of application made, as well as in CIC APB 012, CIC PPU 042 and CIC PPU 051.

I have read and understand this notice and consent. I provide my consent voluntarily by signing this form.

I understand that misrepresentation by an applicant providing false or misleading information is an offence under section 127 of Canada's Immigration and Refugee Protection Act and may result in a finding of inadmissibility to Canada or removal from Canada.
